

MAJOR GIFT IMPACT OPPORTUNITIES

Sheboygan County Food Bank is at the forefront of fighting hunger, dedicated to making sure no one in our community goes without food. With a major gift, you become an essential part of our mission—fueling lasting change and helping us deliver fresh, nourishing food for children, seniors, and families in need across Sheboygan County.

Choose from our four impact opportunities to direct your support where it means the most to you. Together, we can make a meaningful difference in the lives of our neighbors.

1 FOOD FOR THOUGHT FOR KIDS Nourish Children During School Weekends

Food for Thought for Kids is our growing program that's dedicated to providing 550+ children each school week with 10 nutritious items—including fresh fruit and other easy-to-eat foods. We work with 26 local schools to identify kids in need, filling the critical gap between the federally-funded school meal programs and FoodShare, and allowing children in our community to grow and thrive.

2 COMMUNITY CAFE Provide Warm Meals for our Neighbors

Our Community Cafe at St. Luke United Methodist Church in Sheboygan serves an average of 400+ meals each week to guests Monday through Saturday over the lunch hours. Anyone is welcome to stop in and enjoy a warm meal alongside other community members. Primarily supporting our homeless neighbors, the Community Cafe is the only daily free meal in Sheboygan County.

3

FOOD FUND

Provide Nutritious Food for Families

We're committed to providing wholesome and culturally-relevant food, supporting 5,500+ family visits each month through our network of partner organizations. Whether it's high food prices, decreased government support, or a pandemic, each year brings a unique set of challenges that may cause more families to need our support. We work with our bulk suppliers to get the best prices on a variety of food staples and fresh vegetables, fruits, meat-based products, milk, and eggs.

4

FOOD+ FOR NEIGHBORS

Invest in Future Capital Needs to Help Ensure Food Storage and Transportation

Our warehouse, offices, commercial-size coolers, and trucks are the backbone of our ability to feed our community. With essential space and equipment, we're able to safely store, organize, and distribute nutritious food directly through our programs and to community partner locations. And we have to be prepared to respond when fundamental equipment requires replacements and continue to develop to meet the emergency food needs of Sheboygan County residents.

If you're interested in making an impactful gift for our community, we graciously welcome you to donate online now or contact our Executive Director, Patrick Boyle, at 920.453.0169 ext. 102. We would be happy to do a check presentation photo, invite you on a tour of our location with our founder (Liz Kroll), provide our most up-to-date data on how many people we're serving, or answer any questions.
